

Future for Young Scientists

advancing the future.

Saturday, August 26, 2023
12:00 PM - 1:00 PM (EST)

Spacetime/Gravity Model

This simple experiment will teach students about gravity, planetary orbits, and curves in the spacetime continuum.

Materials

Large pot

Plastic wrap

Tape

Needle (**sharp object, supervision may be needed)

Heavy ball/marble

Light ball/marble
